Microwave

Remove Lid & transfer Mac from aluminum tray into microwavable safe container.

On high heat, set microwave to 4 minutes.

Stop mid way, mix & continue.

Repeat process until desired heat & creaminess desired.

Place into serving vessel and sprinkle desired crunch on top!

Oven

Let each tray sit out for 45 minutes to soften.

Place desired toppings on each tray.
(BUT NOT PANKO CRUNCHES)

Heat oven to 325 degrees.

Slice 5-10 holes in aluminum lid & place in oven Keep in for 10-15 minutes and then check status of creaminess.
(This does differ due to how cold mac was when went in and the power of oven)

Check, mix and repeat until creamy.

Sprinkle Panko Crunch on tray & serve!
